

Statement of WEEE Compliance Solar Today

Stichting Organisatie Producentenverantwoordelijkheid E-waste Nederland (OPEN Foundation) hereby declares that, at the time of comprising this Solar Today is registered with the OPEN Foundation as a producer as described in article 18 of the Dutch implementation of the WEEE Directive (The WEEE Regulation). With this registration Solar Today complies with its obligations under Dutch law regarding the registration as a producer at the Nationaal (W)EEE Register as well as the obligation to register with the OPEN Foundation as the holder of the generally binding statement from the State Secretary of Infrastructure and Water Management on the waste management agreement of the OPEN Foundation (the AVV).

Solar Today has also stated that they will comply with all other obligations they may have under the WEEE Regulation and the AVV such as but not limited to reporting the electric and electronic equipment (EEE) they have put on the Dutch market as well paying the waste management fee related to the EEE and that they will pay the registration fee to the Nationaal (W)EEE Register.
